Gr "Be the change that you wish to see in the world."
- great words of Mahatma Gandhi. I would like to tell you
about that beautiful words and their meaning. It is because
this quotation really means a lot for us.

Gr Mahatma Gandhi is a great human who knows a lot
Gr about our world. ^{He} She was tried to do it better for other
Gr people. In my opinion Mahatma Gandhi is right in her
words. The meaning of this quotation for me is that human
Gr can change a whole world like he want. Because if human
Gr want to save endangered species of animals he can stop
Gr interrupt animal habitats. Also if human wish to save
all our planet he should stop air polluting, oil spills and
he should learn to use Earth's natural resources sustainably.
As for me I like our planet and want to keep it beautiful
and clean. That's why I always don't use plastic bags and
don't pollute environment. Also when I am in a beach I
usually bring all the trash with me when I go home.

Sp. I think human beings need to consider the repercussions
of their actions, trying to reuse and reduce materials. Then
we ~~can~~ will protect our planet. My wish is to save the
Earth and I will do all I can to keep our planet wonderful.
