Nice to meet you. My name is Anastasiya Barbotko. I've been asked to comment a quotation "be the change that you ~~wish~~ wish to see in the world". Well, I'll start by saying that I agree with this quote. Because people are ~~the~~ social creatures. They might want changes as well but they're too afraid to express it. There might be many people like that, who need someone's support to start doing ~~some~~ something. And you can be that person who supports them by starting doing something first. They may follow your example and like that the world will start to change slowly. Some people ~~think~~ think that one person can't change anything because there's so many people in this world but they're wrong.

~~I know a person~~ I have an ~~enough~~ example that can prove my opinion. I'm familiar with a person who started collecting rubbish near a lake that was polluted. He was alone at ~~the~~ the beginning but slowly other people started ~~notice~~ noticing that the coast of the lake started to become cleaner and decided to help. And now the lake is beautiful again.

To ~~conctly~~ conclude, I want so to say that to see the world change to better there must be someone who starts these changes and you can be that ~~person~~ someone.
