Writing

ANSWER SHEET

I am writing about the quotation "The greater the obstacle, the more glory in overcoming it."

As for me, I agree with Moliere's quotation. From my point of view, nowadays all people must know this quotation as more people consider that they don't have enough glory to overcome any obstacles. It can be because ~~of~~ they don't have enough confidence. And another reason why I support this quotation is that when we meet a great obstacle face to face, some power comes to us, our bad thoughts left us and it becomes possible to do something difficult.

So, I can give the example from the ~~famous Russian~~ literature where weak characters that also can be bullied have a very low confidence. But following the plot they have to overcome the obstacle during the plot. ~~They~~ ^{Every} weak characters become stronger when they see the obstacle that will be overcome by them. And another example is that in our life we see a lot of ~~famous and~~ rich people who was grown in poor families and because of it they were too shy and had a low confidence. But they had a purpose to become successful and for them it was the obstacle. ~~But~~ But they could find the glory and have become what they wanted.

That is all I wanted to write about Moliere's quotation.
